BEER BOTTLE AND BEVERAGE CAN WAREHOUSE IN THE BUCKEYE STATE

We keep products flowing so there's always a cold one on the shelf.

TRANSPORTATION

Watson Trucking Company provides 24/7 transportation service from a glass production plant in Indiana to the Patton owned warehouse in Columbus, Ohio. WTC provides shuttle service from the warehouse to the Columbus, Ohio brewery delivering 4,000 truckloads per year. WTC also transports glass bottles stored at the warehouse to beverage bottlers in New York City and Pennsylvania.

WAREHOUSING

Patton Warehousing provides a 200,000 sq. ft. food grade quality warehouse, inventory control of 15,000 pallets of empty bottles, manpower and material handling 24 hours per day that ensures the timely delivery of bottles to the brewery in Columbus and various other customers throughout Ohio, Pennsylvania and New York.

LOGISTICS

Patton Logistics provides additional transportation capacity through its network of dependable carriers based in Ohio. These carriers will respond to last minute shipments at a moments notice and transport each order according to the schedule the customer and Patton Logistics Group set.

“““

Patton learned my business, the challenges, demands and what makes our team successful. They are a tremendous asset.
